ACTIVITIES 2016

गुरुर्ब्रह्मा गुरुर्विष्णुः
गुरुर्देवो महेश्वरः ।
गुरुःसाक्षात् परब्रह्म
तस्मै श्रीगुरवे नमः ॥

The Guru is Brahma, the Guru is Vishnu
The Guru Deva is Maheswara (Shiva)
The Guru is verily the Para-Brahman (Supreme Brahman)
Salutations to that Guru.

OKTI FOUNDATION : ACTIVITIES 2016

The Okti Foundation and Sant Parmanand Hospital, Delhi under *The Ao Gaon Chalein Project* under aegis of the Rural Committee, Indian Menopause Society , AOGD and RCOG (NZ) conducted various successful programs in the year 2016. These included 8 surgical camps in which 235 successful surgeries were conducted for poor patients in remote villages all over India. Thirteen Medical Camps were organized in collaboration with Indian Menopause Society in which screening and public awareness were the main high lights.

Surgical Venture held on 25th to 27th March 2016 at Civil Hospital, Joginder Nagar, Mandi, Himachal Pradesh.

A Surgical Venture was organized at Civil Hospital, Joginder Nagar, on 25th to 27th March 2016 in which 24 patients were operated free of cost. This camp was financially supported by Friends of Sant Parmanand Hospital, Jaguar Foundation Ltd. and Rotary Club. The Surgical team included Dr. George Verghese, Dr T C Sharma, Dr Sonal Bathla, Dr Anupam, Dr. Rechal, Dr. Rabecca, Dr. Babitha and Ms Anica. The male to female ratio was- 1:5, and 15 patients were more than 40 years of age. The number of gynecological procedures was 7, General surgery 15 and urological surgery was 2. All the patients were discharged in satisfactory condition .

Surgical Venture held in Oct 2016 at Surat

One patient of prolapse uterus was operated by Dr Manisha Jhawar in Surat in Oct 2016 free of cost. Patient was discharged in satisfactory condition.

Socks knit by women in villages of Manali were distributed as souvenirs by the organization

Success Story by Dr George Verghese : This is about a patient X who was 65 yrs of age came to Joginder Nagar Surgical Camp in November 2016. She came from a distant village about 70km from the town. She was married at a younger age and had one daughter. Soon after the birth of the girl child the husband left her and got married to another woman and had no contact since. She brought up the daughter alone and supported herself by doing various village activities. A few years back she developed pain and swelling in her abdomen. Various people from the village collected some money and sent her to Amritsar for treatment. After spending all the money and finding no relief she came back to her village and continued to bear her discomfort. She found it difficult to have regular meals as her abdomen continue to enlarge. The village panchayat head came to know about the free camp conducted by OKTI and brought her to Joginder nagar . She was diagnosed to have a very big fibroid uterus and a big ventral hernia. She was anemic because of lack of proper food earlier. After taking the needed precaution, she was taken for surgery. She had a 7kg fibroid that was removed and repair of the big hernia with a synthetic mesh was done. She had a comfortable recovery and went home on the 4th day. Her daughter cared for her and she was grateful for the free surgical intervention that helped her to live a comfortable life.

She is one of the many who benefit from free surgical camps. The camps provide hope for many who suffer silently due to lack of financial support. All those who help OKTI's activities through various funds are bringing hope to many. The village community benefit indirectly economically and health wise. Its done in good faith and team is grateful to all who help. We can do this service only because of the generosity of donors. God's blessings be upon all of them.

Success story : An orphan 24years girl, a rape victim who underwent multiple VVF repairs was brought to Delhi. EUA showed a glass dropper encrusted inside the vagina. It was removed, stenosed vagina reconstructed & fistula repaired, bringing life to a beautiful soul.

Capacity building: The exposure in in Surgical Ventures helped many doctors, technicians and Nurses sharpen their surgical skills. Lehmon Hospital, Herbertpur independently conducted the camp & laparoscopic surgery was carried out at Lehmon Hospital, Herbertpur & Duncon Hospital, Raxaul, Bihar.

Skill Development : Ms. Sukhdei and Ms. Manisha were sponsored by the organization for Teacher Training to look after special children in Bangalore.

Various Medical & Screening camps were organized in collaboration with Indian Menopause Society under the able leadership of Dr. Jaideep Malhotra as President, Dr. Nirmala Vaze as Vice President, Dr. Shobhna Mohandas as Secretary General and Dr. Sonal Bathla as Chairman Rural Committee. Few of them are as follows.

Screening camp by Dr. Jyoti M Shah & Dr. Beena Kumari at Jan Kalyan Cancer Hospital, Mandvi , Kutch on 27th & 28th Feb 2016 in which 178 women were screened, 101 pap smear, 14 colposcopy and 12 cryo surgeries were done. A talk on "Cancer in Women" was given.

Public Awareness Program for rural women by Dr. Hephzibha in March 2016 at Chennai in which awareness about breast and cervical cancer and prevention by vaccination was imparted.

Awareness Program by Dr.C. Ambuja at Suraram Village, Hyderabad on 8th March 2016. Information about Menopause, Bone Health and Nutrition was given to rural women. This program was attended by 98 women with rural background.

Breast Cancer Awareness Programme on 19th March 2016 by Dr. Kanchan Sortey and Dr. Ujjwala Deshmukh at Nagpur which was attended by 42 farmers from Gondia.

Health Camp by Dr. Nimla Pipara at Parasmani Village, Luxbagan, Kolkata in March 2016 in collaboration with an NGO, Anandhara in which 150 women were screened for Anemia and Diabetes. Health education was imparted.

Free vitamin D Sachet and calcium was distributed to about 200 Adiwasi people of Haldarwa. They were educated about skill development.

Many Awareness Camps were conducted by Dr. Bhawna Sheth from Bharuch in 2016 in which female foeticide and alcohol abuse were discouraged.

Breast Self Examination Awareness was done by Dr. Hepazibha at a rural area near Thiruvallur, TN on 15th Aug' 2016 and trees were planted.

Village Health and Public Awareness Camp was organised by Dr. Punita Hasija in village Mohabatabad, Faridabad on 18th Oct 2016 in which the village women were subjected to health screening. Awareness about bone health, heart health, personal hygiene, role of exercises and diet was given.

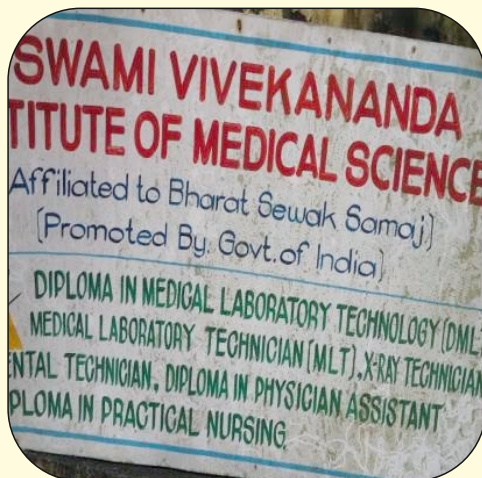

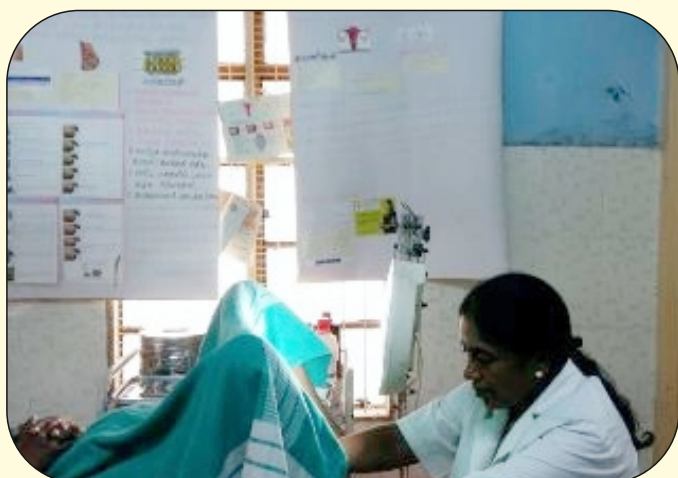

Rural program was conducted by Dr. N Hepzibah at Thiruvallur District on 22nd Oct 2016 in which 182 patients were screened for medical ailments.

Monthly Awareness Programs were organized by Dr. M.K.Valsan in tribal colony of Waynad District at Cheeral in Kerala on 2nd Oct 2016 which was attended by 48 patients. This was in Collaboration with Vivekanand Mission Trust.

Cervical Cancer Screening Program by Dr. Hephzibah in a village at Thiruvallur district, Tamilnadu in which 65 patients were screened for cancer cervix.
